Hi,

I hope you are all well and enjoying the colder weather!

The staff have now completed the children's termly summative reports. Over the next two weeks I shall be going through them and then sending them out for you to have a read. They will be available on your child's Tapestry account. Unfortunately, we are unable to hold a 'parents evening' session due to current Covid restrictions, however, if you do wish to speak to your child's key person about your child's progress please let me know. We can then arrange a time and space for this. It may have to be a telephone conversation.

If you do not receive a report for your child this term, it is likely that it will be because they started part way through the term.

If you have any questions, please let me know.

Many thanks

Lisa
