

17th December 2020

Dear Parents/Carers,

As the term comes to an end, I just wanted to say 'Thank you'!

It has felt like a long and challenging term for many as there has been a lot of change and unknown whilst the country tries to deal with the ongoing Covid-19 battle. And on top of that we moved to a new setting!

I won't lie, there have been bumps along the way but we have now settled into the new site and the current way of life and the children have been amazing!!!! Adapting to everything life has thrown at them.

While we had several children who have needed covid tests, they have all come back negative and, as a result, we have been able to remain fully open for the whole of the term.

I would like to take this opportunity to thank all of the staff for their continued hard work and dedication to ensuring Little Owls is a safe, secure and clean environment for all the children to explore, while providing exciting and new opportunities and activities to stimulate their physical and educational needs.

And thank you to all of you.

Thank you for continuing to follow our current guidelines, whether this has been queuing outside in all weathers waiting for your children to wash their hands or for taking your child for a test when we have requested you to do so (we know this has not always been easy) or for all the other things in between that have helped to stop the infection spreading.

Please can I ask that you continue to follow this next term so that, hopefully, we can run the whole term.

I hope you all have a safe and happy Christmas. Please follow the government guidelines to stop us going into full lockdown in the New Year.

We close tomorrow (18th December) and return on Monday 4th January 2021.

See you then!

Merry Christmas!

Lisa
